Christmas Break -up

End of year celebrations will be held at the Larni Garingilang Function Centre, Central Hub area.

12th December at 2.00 p.m.

The Friends will provide the afternoon tea (probably in the form of scones and a fruit platter) from Café Omari as a thank you to the many helpers throughout the year. Please let us know of any dietary requirements to be catered for.

We will be able to bring our own drinks including alcohol to the function to reduce costs or alternatively you may like to purchase your own drinks from the café.
